## DEER HUNTING 2006

---

1. **NOVEMBER 18-26, 2006.** The late bow deer season, November 27 - January 7, is also open in the park (in the same area as the regular deer gun "OPEN" areas).
2. All hunters must meet the blaze orange requirements.
3. Park admission stickers are required on vehicles. If the office is closed, self-register by the walk-in entrance in the yellow box at the office.
4. Many areas of the park will be posted as "closed" areas. Hunters must contact park employees if a wounded deer goes into a closed area. They then may assist the hunter in recovering the deer.
5. Your guns must be encased and unloaded in the "closed" areas of the park.
6. See the *2006 Deer Hunting Regulations* pamphlet for current baiting restrictions.
7. Waupaca County is shotgun use only. Portage County is rifle use. (Part of the park open for hunting is in Portage County.) See the map on the back side of this page.
8. Tree stands and ground blinds must be portable, removed from the hunting area each day and not damage trees. (Screw-in pegs are not allowed).
9. The park is located in Deer Management Unit 65B. **No** other wildlife may be hunted in the park other than deer.
10. Disabled hunters must contact the office two weeks before the season for special requests.

**GOOD LUCK, and HAVE A SAFE HUNT!**
